

ScopeX Bulletin

As at 24 August 2019

ScopeX – annual telescope and astronomy expo - Saturday 14 September 2019

Website: <https://www.scopex.co.za/>

ScopeX is an annual event held at the [Military History Museum](#), an excellent venue for the whole family to visit. Normal Museum entrance fees apply, i.e Adults: R45, Children: R30, Senior Citizens: R20.

ScopeX focuses on interests on general astronomy, amateur telescope making, astrophotography, science and technology.

ScopeX invites anyone, anywhere in South Africa, to submit their astrophotos in the ScopeX Astrophoto Challenge (open until 30 August for submission) or come and exhibit their homebuilt telescope/s or accessory. Really excellent prizes available this year for the Astrophoto Challenge.

Exhibitor guidelines are found on <https://www.scopex.co.za/>

The day includes interesting talks, exhibits and demonstrations as well as commercially available items at *special show prices*. Amazing raffle prizes to be won – see detail on <https://www.scopex.co.za/>

Some sessions are aimed at sharing information useful to parents, educators and youth organisations.

The Programme will be updated regularly and downloadable from the website.

All queries on the day can be referred to the Help Desk where knowledgeable supporters will be able to assist with queries.
